**Previous Minutes:** Amended to include Jack Burton's apologies. Minutes approved by John Adams, seconded by Ian Hewitt.

**Councillor's Report:** Cllr Mckay was still concerned about safety outside Stewart's Melville College and noted that no lollipop person was appointed. He asked PC Ross for more data on house break-ins in Blackhall area. Cllr Hinds expressed residents' concerns about speeding in Davidson Park and will raise issue at next meeting. Euan Campbell reported that no food waste bins were uplifted in his street- Cllr Hinds will investigate. Eddie Thorn (Chair) noted lack of Council co-ordination with road works for utility companies. Cllr Hinds will bring Council Policy to next meeting if possible.

**Residents' Matters:** Philip Mearns complained that residents in his area parked in the disabled parking spaces denying him usage and his housing association does not take action. PC Ross explained that the houses are on private land and difficult to enforce compliance. Both Cllr Hinds and Cllr Mckay offered to investigate and Secretary will forward them Philip's email address.

**Police Report:** PC Ross said there would be a road safety campaign in the area to monitor speeding over a two week period. Police completed speed monitoring in The Dip and will soon take enforcement measures. Police received reports of motor cycles on the pathway but investigations over a two night period showed no activity. Local businesses with vehicles parked on the pavement around Maidencraig Court have been asked to show consideration to

residents. Dave Halbert reported pavement parking on Telford Rd. Neil Watt asked for crime stats at each meeting.

**Secretary's Report:** Emails sent weekly to Committee. Resident complained about lack of grass cutting on Orchard Park North – frequency of grass cutting would be sought. Scottish Parliament constituency boundary changes are now being reviewed.
